## *About our Principal.....*

We have amazing Principals at TRSD! But we are especially fond of our own, Renee Hults. Over this school year she has allowed her office chair to be "stolen" by various students who received an award during our character trait assemblies. These students receive a certificate for their outstanding behavior or perfect attendance then get to "spin the wheel" to reveal their prize. This activity of "stealing the principal's chair for the day" has been the most highly coveted prize with over 50 participants. Principal Hults has had to offer up her executive style chair AND her pretty pink chair! It's a rough life when you have to STAND at your desk all day!! We appreciate this lady so much. Her fun-loving personality, care and concern for our school, students and staff alike, shines through all she does!

Happy National Principal Appreciation Day to ALL of our amazing Principals throughout the District!

Thank you Principal Hults for all you do for our school, We appreciate you!
