Dr. Evans,

I hope this finds you well. My name is Adrienne Smith, and I'm the Manager of Spenga Oak Park. Faith Cole may have told you already that I would be reaching out to you regarding our donation proposal.

Spenga is a unique fitness studio that appeals to all fitness levels by providing cardio, strength training and flexibility in each 60 minute session. Our Spenga Oak Park studio is set to open on Lake Street on Saturday, April 1st. Not only will we be the largest studio in our company, at over 5300 square feet, we will also serve as the flagship studio for Spenga corporate.

We are excited for this opportunity and the investments our franchise owners, Sara and Garth Bender, local Oak Park residents, have made in our community. In fact, Hannah Kaye, District 97 and District 200 alum, is the daughter of Nora Kaye, a long-time District 97 employee. Spenga is dedicated to working to improve the health and wellness of our Oak Park families. To support our mission, we want to invest in education, supplies and teacher development within the District. We want to plant our roots and invest in our public schools by donating 25 Manduka WelcOMe Yoga Mats @ \$48 each for the 10 Elementary and Middle Schools in District 97 (Investment \$12,000). <https://www.manduka.com/yoga-mats/welcome/welcome-mat-blue.html>

We would also like to explore other opportunities to support health and wellness in the district, such as the following:

- Free Assembly, as district schedule allows (one per school) (\$600-\$700 value)
- Participation in a Health and Wellness Event for each school
- Example: PBIS May event at Irving Elementary (\$250 value)
- Host Workshops and Teacher/Staff Trainings, during Institute Days or similar times, focused on incorporating yoga into the classrooms (TBD)
- Participate in 2nd week of May ACES Events at each school
- Donations for Teacher/Staff Appreciation Events (i.e., 1 free month cards)
- And finally, to showcase our studio to the staff and teachers in the district, we will offer free "teacher/staff only" sessions

I'm grateful to work for a company that cares about our community's wellness. As a district 97 parent myself I look forward to working with the district to promote health and wellness for our kids. We look forward to working with you. Please let me know what other information we can provide.

Sincerely,

Adrienne Smith
