Subject: Business Continuation Plan Submitted By: Mrs. Jones

INFORMATION

Information: The Business Continuation Plan (BCP) outlines the important steps necessary to the technological recovery of Beeville Independent School District in the event of a disaster of either man-made or natural origins. The plan is focused on the restoration of key data systems and will be referred to interchangeably as either a Business Continuation Plan or a Disaster Recovery Plan. The BCP lists step-by-step procedures to replace equipment and restore data in order to re-establish normal functioning to the district's information technology functions. Lawrence Garcia, Director of Technology, will give a short presentation on the plan.
