Agenda Item Caption: Consideration and Discussion of Proposed Scenario Recommendations for District Optimization.

Purpose of Agenda Item: Information Item

Administrative Recommendation: None

Background Information: Killeen ISD has been engaged in a comprehensive process to explore district optimization opportunities to ensure efficiency and sustainability in serving all students. Over the past several months, district leadership has facilitated multiple opportunities for input and collaboration, including meetings with principals, district leaders, and stakeholder groups like the Budget Advisory Committee and Long-Range Facilities Planning Committee. Three community town hall meetings were held which were open to parents, staff, and community members. Additionally, an online survey gathered broad stakeholder feedback from almost 1,300 community members.

Feedback from all the above avenues has been collected, analyzed, and incorporated into a set of proposed scenarios for district optimization. Civic Solutions Group (CSG) will present the proposed scenarios to the Board of Trustees for discussion. Feedback will be considered and potential adjustments made based on Trustee feedback before bringing a formal recommendation for Board consideration at the October 28, 2025, Board meeting.
