

## High School Board Report 11-12-19

### Overview

- 10/10-10/27 This October Tomahawk hosted 16 students from our partner school Carl-Benz Gymnasium, in Germany. They came to see life in an American family and to learn about all that our area has to offer. We toured PCA, Lake Nokomis Cranberry Farm and Greenheck to see some of the local industries. Leigh Yawkey Woodson Art Museum gave our group a great tour of their Birds in Art show, and students left with their own piece of art. Students enjoyed learning about our environment in our day out at Treehaven and the presentation on local wildlife from REGI (Raptor Education Group Inc.). We hope to continue the exchange with Tomahawk High students traveling to Germany in July.
- 12/11 - All Juniors attended the Wisconsin Education Fair hosted at UWSP Marathon County to investigate various post-secondary schools and programs of study.
- 10/15 - Members of the high school building leadership team attended Leading for Learning (formerly WOW) to learn from Angela Freese. Assessment was a key topic.
- 10/21 - Members of the high school staff were awarded Beyond Crayons & Chromebook grants sponsored by the Tomahawk STAR Foundation. Grants totaled \$7,731.13. Thank you to STAR! Recipients from the high school were:
  - Mr. Adam Blomberg - Robotics activities and club competitions
  - Mr. Brian Schiltz - Student manufacturing of wooden pens to gift to Never Forgotten Honor Flight participants
  - Ms. Allison Solum - Culinary enrichment activities for Resource Hour.
  - Mrs. Jessie Zyhowski - Activities focused on courage, compassion and ethics learned through the historical events of the Holocaust.
- 10/21 - The THS Chamber Choir Concert started the concert season with the annual Autumn Concert. The concert consisted of 6 songs. Great job to all those involved.
- 10/22 - The Technical Woods class visited NTC Antigo Campus to learn about career fields in the Wood Science & Technology Industry.
- 10/23 - FCCLA attended the Leadership Academy at Fox Valley Technical College. Students attended leadership sessions and collaborated with other chapter members from other districts. Campus tours and programming information sessions occurred as well.
- 10/25 - Interested juniors and seniors visited Nicolet College to tour facilities and learn about programs of study.
- 10/29 - Mock Interviews took place at THS. Students enrolled in Personal Finance had the opportunity to practice their interviewing skills and have their resumes reviewed by local business and industry professionals. The feedback for students was great. Thank you to TEAPIE for their partnership in this activity and supporting our students!
- 10/29 - The One Act Play competed and will be advancing to the State Competition held at UW Milwaukee on 11/22. This is the fourth year in a row they have advanced. They will be performing "Drop Dead, Juliet!" There will be a public performance on 11/8. Congrats to All!

- 11/2 - The THS Girls Cross Country Team and a Boys team individual advanced to compete at the WIAA State Cross Country Meet. The Girls team finished in 9th place and Noah Buckwalter finished 65th as an individual in the Boys race. Congrats to all of the team members and coaches.
- 11/9 GNC Honors Band will be hosted by Tomahawk High School. Students from their respective conference schools work together throughout the day with the clinicians to learn and prepare for the evening performance. The evening performance is an excellent representation of the talented musicians in our programs. The concert begins at 6:00 PM in the auditorium.
- 11/9 - THS Chamber Choir members will attend the Wisconsin Music Festival at Lincoln High School in Wisconsin Rapids. Students will rehearse throughout the day with clinicians in preparation for an afternoon performance.
