

Where School Boards Learn to Lead

MINNESOTA SCHOOL BOARDS ASSOCIATION

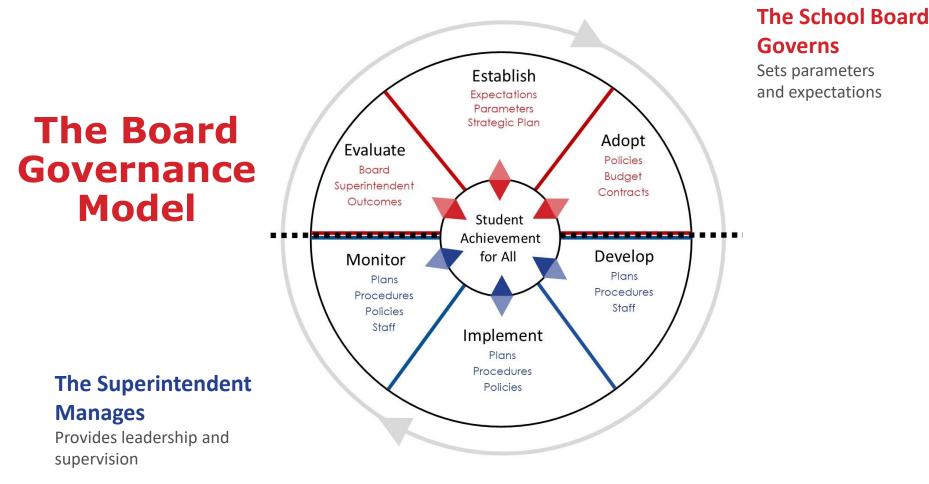

STRATEGIC PLANNING SERVICES AND PROCESS OVERVIEW

The Board's Role and Strategic Planning

The School Board's role is to govern. The school district's Strategic Plan is the Board's visionary roadmap for governing while focusing on student achievement for all. To govern successfully, MSBA recommends the School Board utilize their district's Strategic Plan regularly when making decisions especially during challenging times.

It is important to have an up-to-date, easy to follow Strategic Plan that sets the district's direction and goals. Once the strategic direction and goals are in place, the School Board can align district goals with the Superintendent goals and Board goals. MSBA is available to assist school districts with this process.
