

Excitement - Inclusion - Celebration

I want to see....

- Shared belief that students are welcome, worthy, and capable of great things
- That the definition of what is great will be varied, individualized and still celebrated
- Unapologetic advocacy for students and families to have a positive experience in school
- College and Career Ready is a reality for all students:
 - Think College
 - Employment First
- Staff who are confident and discreetly skilled in supporting students to achieve to their highest potential - Universal Design for Learning / Specially Designed Instruction
- Professional Development and systems tools that support the uniqueness of this work
- People having fun and feeling genuine gratitude for being given the responsibility and gift of doing this challenging work
- Staff and students STAY in Parkrose!
