

**GOVERNING BOARD AGENDA ITEM  
AMPHITHEATER UNIFIED SCHOOL DISTRICT NO. 10**

---

**DATE OF MEETING:** July 11, 2017

**TITLE:** Award of Contract for Amphitheater High School Fire System Replacement Based Upon Response to Request for Bid (RFB) 06-28-2017

---

**BACKGROUND:**

The Governing Board awarded on June 6th an award for a Fire System at Amphitheater. That award was contingent upon acceptance by the School Facilities Board (SFB). The SFB did not accept our award and requested that the district reissue the solicitation.

Request for Bid 06-28-2017 was e-mailed to 78 General Contractors, e-mailed to General Contractors with the fire system commodity via Procure AZ (Arizona State Bidder's List), and published on the District's website. This solicitation requested pricing for a fire system replacement at Amphitheater High School. Five responsive bids were received; one bid was deemed non-responsive due to not submitting the bid on District forms (see attached tabulation).

---

**RECOMMENDATION:**

It is the recommendation of the Administration that the Governing Board award a contract to Commonwealth Electric Company of the Midwest based on their bid response to RFB 06-28-2017 contingent upon the School Facilities Board (SFB) approving the funding for this project at the next SFB meeting.
