Dear Dick,

Congratulations! You have achieved Level 3 in the Wisconsin Association of School Boards Member Recognition Program! The WASB recognizes board members for their efforts in leadership and board development through our Member Recognition Program. Points are awarded to school board members for their attendance at/or involvement in various WASB programs and events.

Details about the program are available online at [WASB.org](http://WASB.org), under Communication Services. To view your member recognition points and monitor them throughout the year, log in to [WASB.org](http://WASB.org) and click on My Portal. (Please be advised that the online portal tracks points on a calendar year but the Member Recognition Program is based on the school year.) Members such as yourself who have achieved a new level in the Member Recognition Program are recognized at that year's Fall Regional Meetings. The **Region 2** meeting will be held:

**Tuesday, October 17, 2023**  
**Norwood Pines Supper Club**  
**10171 Hwy 70, Minocqua**

An optional pre-meeting workshop on school board responsibilities under public records law will be held in all locations from 4:30 to 6 p.m. in the same facility as the regional meeting. To register and/or learn more, visit [WASB.org](http://WASB.org), select "Training & Events," then "2023 Fall Regional Meetings & Workshops."

If you have any questions about accessing WASB resources online or logging in to the WASB website, please contact the WASB at [info@wasb.org](mailto:info@wasb.org) or 608-257-2622. We hope you are able to join us for your Fall Regional Meeting. Thank you for your dedicated service!
