

**GOVERNING BOARD AGENDA ITEM  
AMPHITHEATER UNIFIED SCHOOL DISTRICT NO. 10**

---

**DATE OF MEETING: October 22, 2013**

**TITLE: Approval of New International Baccalaureate (IB) Course Names**

---

**BACKGROUND:**

Over the past year, we have come to the Board several times with separate requests to approve a variety of International Baccalaureate (IB) courses as we needed them in order to enroll students. Rather than approve individual courses only as the need arises, we are requesting Board approval of all the following courses.

All courses listed below have other levels that have already been approved by the Board. Having these additional levels approved and included in Tyler will help counselors and administrators as we move students through the levels in the program.
