Putting Montana Students First **A⁺**

March 27, 2019

Dear Board Chair Russette III, Superintendent St. Pierre, & Principal Corcoran:

Based on the federal Every Student Succeeds Act (ESSA) and Montana's accountability system, Rocky Boy School is no longer identified for Targeted Support and Improvement for Economically Disadvantaged student achievement. This school is now identified as [Universal](#). Congratulations and thank you for your commitment to ensuring positive academic outcomes for all students!

Please feel free to reach out to the OPI if you have any questions or need additional information. Susie Hedalen, Deputy Superintendent for Education Services, can be reached at susie.hedalen@mt.gov or 406-444-3449.

The OPI strives to promote positive public conversations around improving opportunities for all Montana students.

Thank you for putting Montana students first!
