FES January 2026 School Board Update

PreK/Kindergarten Registration Event for 26-27

Our annual registration event is scheduled for Tuesday, March 3rd, from 4:00 to 6:00 p.m. This is later in the school year compared to last year, which will hopefully help us have more accurate registration numbers after the event.

MN Paraprofessional Recognition Week

In honor of Minnesota Paraprofessional Recognition Week, January 19–23, I would like to recognize and thank our Educational Assistants for the skilled and compassionate work they do every day for our students. Their support throughout the school helps ensure that every child feels safe, supported, and able to learn. Our school simply could not function at the level it does without their professionalism, patience, and commitment to our students and staff.

FAST Winter Screening

Our winter literacy and math screenings for all students concluded last week. On January 29th & 30th, classroom teachers will meet with Kristie Rahm (District Literacy Lead), Linda Corrigan and Becky Steffenson (Intervention Teachers), and me to review their students' scores, identify areas of instructional need, and highlight areas of success. Over the next month, grade-level teams will analyze their collective results in PLC meetings and plan instruction for the second half of the school year.

Upcoming FES Events
