Dear Ms. Lehn and Mr. Tammi,

Thank you so much for your partnership with Reading Corps and Math Corps this year. There is so much to celebrate!

This year, one Reading Corps and one Math Corps tutor served **40 students** at 1 school in South Koochiching with high-impact tutoring.

93.80% of Math Corps students improved their performance on benchmark math assessments and **81.80%** of Reading Corps students exceeded target growth expectations.

These 2 tutors provided **69,420** tutoring minutes across **3,493** tutoring sessions and demonstrated high levels of fidelity to Reading Corps' and Math Corps' evidence-based tutoring model.

These are significant accomplishments that would not be possible without your partnership. Thanks for everything you do to improve reading and math outcomes for students in South Koochiching!

Please let us know if you have any questions.

Thank you,

Sarah Caffee (Northern MN Education Impact Manager)

Christa Moszer (Northern MN Senior Manager)
