Presenter(s): Karsten Anderson, Superintendent

Nature of Action Requested by Board

Committee Recommendation
Committee Information

Background Information

Building and district administrators are proposing the adoption of an E-Learning Plan to provide up to five E-Learning Days per year beginning in 2021-22. After consulting with teachers, administrators will present a plan for approval by the school board. This first rough draft is shared as an FYI. Jen Grove will lead the development of the E-Learning Plan.

Recommendation

None at this time.
