Currently Working On

Teaching and Learning

- **Explicit Instruction** –Professional development to be provided to all elementary instructional staff by [Anita Archer](#) – Follow up support will then be provided by CESA 9 for each grade level team. Meeting dates coming up before the Nov. 8th Board Meeting are October 27 and November 3rd .
- **Redefining Ready** – I will be attending the 2nd Meeting on October 12th – At the 1st meeting we looked at some examples of a Redefining Ready Report Card at the Elementary, Middle and High School Level. There was an example card that seemed to capture the work that we are doing at the Tomahawk Elementary Level. I expect further discussion and work will continue at the October 12th meeting.
- **Alignment of K-5 classroom schedules** - Elem. teachers align schedules to minutes of Math and ELA instruction –75 protected minutes of math instruction and 90 protected minutes of ELA instruction
- **WIN (What I Need) Time** -45 minutes has been added to each grade level schedule K-5th grade level. WIN groups were developed and WIN time students will receive what they need. This time started on October 3rd with WIN groupings. The intervention team has been very helpful in providing support throughout the process.

Whole Student

- **-PBIS (Hatchet Pride)**
- We continue to have both Tier 1 and Tier 2 Hatchet Pride meetings. We are striving for consistency throughout the building with our matrixes of expectations being visible throughout all areas of the building and consistency of follow through.
