County Building Alpena, Mi.**

**Gentlemen;**

**At the meeting of November 14, 2019 regarding our easement road to our camp in section 11 the Chairman of the Committee stated that they will not maintain the easements. A representative of the military stated they had no interest in the road easement.**

**In order for us to maintain the easement road it is necessary to remove branches, trees, brush and other debris within 16.5 feet from the center of the existing roads without encroaching on personal property.**

**Should you object to our maintaining of the easement roads, please respond to us at the above address; please respond within 30 days.**

**Thank you,**
