PURCHASING DEPARTMENT
ODESSA, TX

RECOMMENDATION OF CONTRACT AWARD

For RFP #12-014 Enterprise Resource Planning System for Finance and Human Resources

On October 31, 2012, Ector County Independent School District (District) requested proposals for Enterprise Resource Planning System for Finance and Human Resources software. Currently the District is utilizing the Region 20 system.

On January 8, 2013, eight proposals were submitted to the District. Proposals were received from Genius HR, Prologic, Region 20/18, Skyward, SunGard, Tyler Technologies, Weidenhammer and WorkForce Software.

A nine member committee consisting of business operations and human resources personnel (committee) reviewed the proposals and selected three vendors to present demonstrations to District staff members based on the evaluation criteria listed the in the request for proposal. The evaluation criteria were thoroughness of response, cost, current user information, training, maintenance and technical support, respondent longevity and financial stability.

The three vendors selected were Skyward, SunGard and Tyler Technologies. One-day demonstrations were conducted in January. Approximately 40 ECISD staff attended the demonstrations. Their evaluations ranked as follows:

Vendor	Ranking	Average Points/Total for All Categories
SunGard	3	92.81
Skyward	2	96.88
Tyler Technologies	1	114.82

The committee made two site visits to comparable school districts that are currently using the Tyler Technologies Munis software.

The ECISD Purchasing Department per the committee's recommendation is recommending the **Enterprise Resource Planning System for Finance and Human Resources** contract be awarded to **Tyler Technologies.**

Respectfully submitted,

Rebecca Mull, RTSBA

Director of Purchasing
