### Peace Garden

It will be full of color with Flowering Cherry trees, Texas Sage, Spirea, purple & yellow daylilies and Nandina. Two sections of benches will be set inside with large boulders in the middle for seating.

## Phase 5

# The Peace Garden

Established Fall 2013

Area Size - 26'x25' (650 sq ft)

Total Budget – \$2,356

Plant Budget – \$522

Seating Budget – \$180 • Hardscape Budget – \$1,654

# Plant List

Autumn Cherry

height - 20-25 ft

spread - 15-25 ft

qty - 1

colors - pink, red or white flowers bronze to dark red fall foliage followed by bright berries in winter

These semi-double blooms burst with color in the springtime... but what makes this tree so unique is that its flowers appear again in the fall (when other trees are losing their leaves) and during warm winters (when trees are usually dormant).

5-7 feet tall (Fall Shipping)

\$99.95

Golden Raintree

height - 20-40 ft

spread - 20-35 ft

qty - 3

colors - yellow flowers - seed pods look like tiny Chinese lanterns

An excellent tree and unrivaled for late yellow flowers. Golden Raintrees are also known as Chinese Flame trees. It is one of the very few yellow flowering trees. This deciduous tree is excellent as a small lawn tree, or for shading a patio. Golden Raintrees display a beautiful show of fall color with 2 inch golden seed pods against a dark green-leafed background. It has rounded outline, spreading and ascending branches, open, reddish copper-colored foliage in the spring. It is a tough and an adaptable tree used for many landscaping applications.

5-6 feet

(\$79.95 each) - \$239.85

Texas Sage

height - 3-5 ft

spread - 3-5 ft

qty - 4

info - pink & purple with silvery green leaves with a felty touch

Considered to be one of the strongest shrubs around, Texas sage (sometimes called "Purple Sage") can face droughts, freezes, high winds, salt spray, hungry deer, and full summer sunlight and will still remain beautiful. The flowers appear after summer rains, sometimes covering the plants with white, pink, lavender, purple or blue blossoms for a spectacular display that lasts a week. The velvety feeling leaves seem to amaze children.

# Plant List

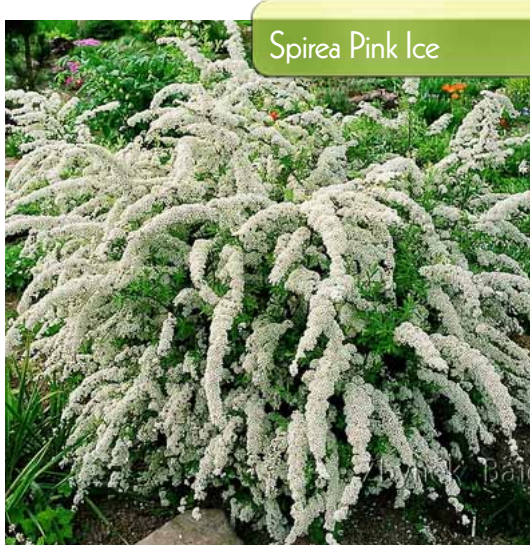

Rosemary

height - 3 ft      spread - 3 ft      qty - 2  
 colors - dark green leaves - very fragrant pale blue or pink flowers evergreen

Rosemary is an attractive evergreen shrub with pine needle-like leaves. It's trusses of blue flowers last through spring and summer in a warm, humid environment. Rosemary is grown as a companion plant for cabbage, beans carrots and sage. It helps to deter cabbage moths, bean beetles and carrot flies. In a warm climate it can remain in the same location for up to 30 years.

The Plant Shed  
 1 gallon

(\$10 each) \$20.00

Spirea Pink Ice

height - 3-5 ft      spread - 3-5 ft      qty - 2  
 colors - white, pink, dark pink, red & purple

Deciduous shrub with graceful arching branches and small leaves mottled green and cream with pink tints and stems, becoming greener as they age. Umbels of white flowers are borne along the branches in June. Smaller and slower growing than the other species.

 2 gallon

(\$28.99 each) \$57.98

Spirea Magic Carpet

height - 1-2 ft      spread - 32 ft      qty - 1  
 colors - deep pink flowers over bronze to light green, red-tipped foliage

A colorful shrub that fits almost anywhere in the landscape. In spring the leaf shoots emerge vibrant red, maturing into rich bronze to light green red-tipped foliage. Clusters of deep pink flowers cover the plant in early summer. In fall the foliage takes on russet tones that remain colorful well into November. Plants are full and bushy and full sun brings out the brightest colors. This plant is very drought tolerant and beautiful in the fall.

---

Dwarf Nandina

height - 1-2 ft

spread - 2-3 ft

qty - 3

colors - multi colored green & marbled reddish leaves

The Firepower Nandina is an impossibly bright compact evergreen with lime green leaves and superior fire red color in the fall and winter. Fall seasonal growth is replaced by multi colored green & marbled reddish growth throughout the growing season turning again to a brilliant ball of red in the fall season. Produces best color and compact growth in full sun exposures.

Home Depot  
1 gallon

(\$16.99 each) \$50.97

Daylily

height - 2-3 ft

spread - 18 in

qty - 6

colors - orchid lavender and cream with yellow centers - fragrant

The Spiritual Cooridor Daylily is a well branched and heavily budded daylily with beautiful fragrant orchid-lavender blooms with a prominent cream watermark, chartreuse green throat and laced with a cream picotee edge. The scapes are heavily budded and burst open with 6-inch flowers in early-mid summer.

# Hardscape List

## Seating

### Carolina Park Bench

qty - 2

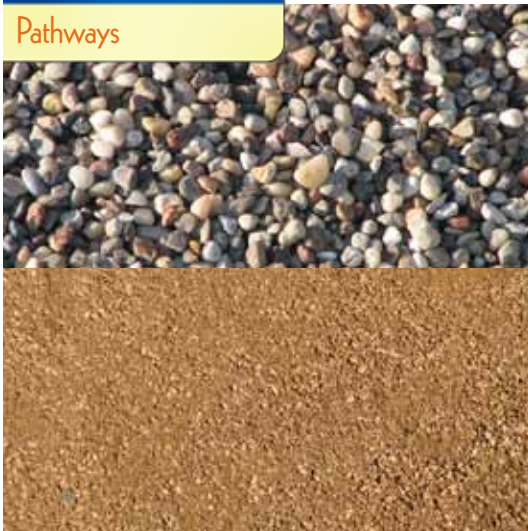

dimensions - 49"W x 19.25"D x 30"H

Decorate your outdoor living area with this attractive Carolina Park Bench. It is made from heavy-duty cast iron and hardwood slats. The frame is powder coated with a rust resistant Bronze finish. Weighs 57 lbs. It is easy to assemble and includes all necessary hardware

Home Depot

(\$89.98 ea) - \$179.96

## Pathways

### Decorative Stone Pea Pebbles 3/8"

qty - 441 sq ft

dimensions - 5.5 cubic yards (4 inch depth)

Can be used for many landscaping applications, including around trees, shrubs, decks and driveways. The natural, small, river-washed stone will not fade, crack or blow away. Unlike wood mulches, it will not attract wood pests, such as termites and ants.

Stone Yard

\$312.70

### Decomposed Granite

qty - 209 sq ft

dimensions - 2.5 cubic yards (4 inch depth)

As granite rock decomposes over millions of years it becomes what is commonly known as decomposed granite gravel. It packs well yet lets water drain through. It is high in trace minerals and environmentally safe.

Stone Yard

\$228.00

## Boulders

### Moss Rock

qty - 4

Dimensions - 1 cubic foot = 110 lbs      2,000 lbs = 1 ton

example: 3'x3'x3' = 27 cu ft = 2,970 lbs

2,970 / 2000 = 1.5 tons x \$164 = \$243.50

Moss can make some garden elements and even entire gardens look and feel aged and established. Moss grows naturally in patches, likes the North side of objects, and takes readily to cracks and crevices.

Stone Yard

\$164.00 per ton

Delivery 1-20 tons
