Paul,

Great, thank you. Also, please note that the check can be made out for \$2,707 and not \$2,731.64, as there was tax on one of the invoices that the school district is not obligated to pay. Your check can be made out to the Shorewood School District and we will plan to process it as a charitable contribution.

Thank you,
Ted

Paul,

It was nice speaking with you by phone. Apologies for not getting back to you sooner -- yesterday was a busy day for us organizing the memorial event for our SIS Principal, Mark Harris.

As promised, I am attaching an electronic copy of the invoice from Roman Electric for the VHE Pool Scoreboard. We believe the best way to proceed is for the school district to pay the invoice directly, and in parallel, have the Swim Club write a check to the school district in the same amount as a donation to support the cost, which was \$2731.64.

I also spoke with Deb Stoltz and Nora Kubacki in the Recreation Department. The best contact to speak with regarding details related to pool fees for the Swim Club would be Nora Kubacki at nkubacki@shorewood.k12.wi.us -- Paul Tiffin is welcome to connect with her directly to get an update.

It would be great to touch base and follow up on a couple of details by phone. Let me know if you have a few minutes to connect sometime over the next week or so.

Best,
Ted

Ted,

Nice talking with you today. Here is the current swim club board. Remember that not all these parents are district parents. The club is not 100% Shorewood district. It's about 70-75%. Those on

the list that are not are Tina Desing and Paul Stollenwerk. That may be it.
