

Italy Independent School District

Department Board Report

Meeting Date_2-17_2025

MISSION: The mission of Italy ISD is to maintain a safe and caring environment by partnering with families and the community to inspire lifelong learning for intellectual and personal success for all students.

VISION: Italy ISD will be a district that sees every child and creates a diverse learning environment to prepare them for an ever-changing world.

Department: Technology

Executive Director of Technology: Michael Steinmetz

Date: 2/13/2025

Celebrations: 2nd Semester is rocking along

Upcoming events/activities:

Dear School Board Members,

I hope this message finds you well. I want to express our sincere appreciation for your ongoing support as we navigate the world of digital education. Thanks to your backing, we're pleased to share that the second half of the school year is going smoothly. Ensuring that our students and staff have the tech tools they need remains a top priority, as it's crucial for their academic success.

Your unwavering support is truly invaluable and central to our department's achievements. We're gearing up to meet future needs and are committed to providing reliable, efficient, and innovative tech solutions to foster growth within our school community.

As we pass the midpoint of the school year, we recognize that testing is fast approaching. It's essential for us to stay focused on meeting the academic expectations for all our students. Our team has been actively preparing for this critical period, ensuring that our students have the support, resources, and guidance they need to

succeed. We're dedicated to creating a positive and motivating environment to help them perform at their best during the upcoming assessments. By staying proactive and aligned with educational goals, we are confident that our students will be well-prepared to face the challenges of the coming tests and achieve success.

Once again, thank you for your steadfast support.

Best regards,

Michael Steinmetz
Executive Director,
Technology Department
