

IASB Conference Registration will open on June 3, 2024. The Registration fee is \$520 per person and \$200 non-refundable housing deposit per guestroom requested.

Your district has a board member that serves on the IASB Board and IASB will register and place housing for this individual. Please review this information for their registration process:

- **Chris Gordon** serves on the IASB Board of Directors and receives complimentary Conference Registration, therefore, **IASB will register this person.** IASB will reserve and place housing for this individual, **NO housing deposit is required.** He is serving as the 2024 JAC Co-Chair and therefore, IASB pays for one guestroom for the entire stay (room-tax-parking).

IASB Directors' school district receives housing-preference for JAC. Please confirm the number of guestrooms needed for your 2024 Conference registrants.

- IASB is holding **(8) guestrooms at Swissotel** for your District (this count **does not** include the Director's housing).
- **NEW: Registration & Housing deposits must be received by July 31 to retain housing. After this date, housing held for your district will be released.**
- Conference housing is only for paid conference registrants. IASB will hold housing based on the number of conference registrations and housing deposits submitted.
- **Please email me by March 15 to confirm.** If I do not hear back, I will release the rooms listed above.
- Should your housing needs change between this date and registration opening date, just email me and I will do my best to accommodate your changes.
- Housing is not assigned until all registration fee(s) and all housing deposit(s) are paid.

You will need to complete the registration process for your members. Your district will be **eligible to register-early in mid-May** (I will send an email closer with registration link and early-registration date). Please check the IASB Conference website www.iasb.com/conference frequently for updates.
