

**YSLETA INDEPENDENT SCHOOL DISTRICT**  
**Board of Trustees Meeting**  
**Agenda Item Backup Sheet**  
**February 10, 2016**

**Subject:** Administering medication under district Policy FFAC, *Wellness and Health Services: Medical Treatment*.

**Solution:** Provide clarification on who may administer medication to students, and under what circumstances. Proposed revisions have been reviewed by TASB Policy Services and district legal counsel.

**Rationale:** Working with Policy Services at the Texas Association of School Boards, and the district Student Health Services, new language has been added to Policy FFAC (Local) to provide direction to staff about medication for students.

The district Administrative Regulation for FFAC will also be revised.

**Funding:** N/A

**Recommendation:** Consider and take possible action to adopt on first reading of Ysleta specific revisions to Policy FFAC (Local), *Wellness and Health Services: Medical Treatment*.
