

Campus Improvement Plan Summary

- Continue to educate parents and community members about the academic and behavioral expectations of PK and Kindergarten students.
- Continue the support with an added behavior teacher using ESSER funds.
- Continue the support with an added MTSS Math Interventionist using ESSER funds.
- Continue with the rebranding of the behavior classroom/de-escalation room to The Hive/Safe Place.
- Continue with Aperture (national standardized universal strength based behavior rating scale).
- Continue using Little Spot SEL curriculum for both PK and Kindergarten.
- Continue Student of the Month for a PK and Kindergarten student based on the core values of SISD. This year we will select TWO students PER GRADE level as opposed to one per grade level.
- Continue Bee Your Best Groups provided by the counselor to support students socially/emotionally.
- Continue to provide Trauma Training for all staff.
- Monthly staff meeting that will include safety and security updates and discussions.
- Implement CrisisGo App
- Continue High Five Fridays with our local police department.
- Continue with the partnership with TSU for college Mondays
- Continue with Academic MTSS Data Meetings to discuss Universal Screener results and drive instruction based on data collected from NWEA/mCLASS.

- Continue with Behavior MTSS Data Meetings to discuss Aperture Screener and/or drive decisions on serving students in behavior tiers.
- Continue a monthly newsletter using Smore to communicate with staff and families.
- Provide a family night opportunity for our families in the Fall and in the Spring
