

Southeast Island School District

Superintendent's Report
Board Meeting – September 17, 2025
Prepared: September 10, 2025

District Goals

Collaboration

Strengthen and maintain collaborative relationships with the Board of Education and the district team to support student success.

Public Trust

Build public trust and confidence through open, honest communication and by fostering positive connections across our communities.

Sharable News & Updates

- **Public Health – Kara McCoy** - Over 40 of our students participated in school physicals and immunizations.
 - **Dennis Nickerson – POW-Tribal Stewardship Consortium & POW-Tribal Conservation District** - A student project is underway this September focused on improving fish passage at eight culverts along Goose Creek Road. Students are assisting with minnow trap monitoring before replacements occur, learning about habitat restoration, environmental impacts, and food security.
 - **Whale Pass Songham Program Kickoff** - Parents and students expressed great excitement for this new program, a collaborative effort between SISD and the Whale Pass team, highlighting our shared commitment to enriching student learning experiences.
-

Conclusion

Southeast Island School District remains committed to fostering collaboration, strengthening community partnerships, and prioritizing student-centered initiatives. With your continued support, we are building a stronger, more resilient future for our students and communities.

Thank you for your dedication to our mission and for being valued partners in education.

Respectfully submitted,
Rod Morrison
