Below is information provided by GHS Principal Tom Rogers in response to a question asked by a Board member at the December 12, 2011 Board of Education meeting.

Here are some numbers we were able to obtain from teachers who have taken recent trips. There have been Social Studies trips and Foreign Language trips over the last several years.

Social Studies

2007- 22 students  
2009 - 24 students  
2011 - 20 students  
2012 - 17 students committed

Foreign Language

2009 - 9 students  
2010 - 9 students  
2011 - 8 students

I believe this answers the question that was asked at the last Board meeting. Please let me know if more information is needed.

Tom Rogers, GHS Principal
