

# July 2025 Board Report

Texas Virtual Academy at Hallsville

## Elementary & Middle School

As we close out our 24-25 school year, we are filled with excitement both about the progress we made as a campus this year and also about the anticipated growth and success that our 25-26 school year will bring. We have some incredible initiatives that we feel will bring great outcomes for our ES/MS campus next year!

👤 **New Staff:** We are excited to welcome two new assistant principals to our team who both bring their own strengths and talents to an already incredible leadership team. We believe these two individuals will bring added value to our campus with their unique and individual experiences.

🔄 **Leadership Realignment:** At the ES/MS campus, we have made the decision to move to a vertically aligned, content-based leadership structure, where each AP will support one content, grades 5-8. We believe this alignment will lend itself to greater vertical alignment and help address gaps in learning early on for our students.

📖 **IXL Implementation:** We are thrilled to implement the use of IXL into our live and asynchronous instruction to help bridge the gaps in learning for our students. Our team has worked to brainstorm ideas for how to best integrate IXL into our everyday practices so that students have an additional layer of support and scaffolding so they can master their grade level TEKS.

🛠️ **Intervention:** The ES/MS leadership team has been working all summer with the Aspire team to brainstorm ideas for how to best leverage intervention to help our students be successful. Together, we have worked to create a push-in model of support that we feel will greatly benefit our most vulnerable, at-risk students.

📚 **Curriculum improvements:** Our curriculum and instruction team has worked tirelessly to prepare for our new courses and we are extremely excited to continue the process of working together to create courses that will challenge our students' thinking and foster academic achievement for all. We believe our courses will be rigorous but fully accessible for students so that every student can successfully master their grade level TEKS.

🔗 **Revamped Mission and Vision:** The ES/MS leadership team in partnership with the staff have worked to revamp the mission and vision for our campus so that our work will be laser focused and aligned with the overall mission and vision of TVAHS. At TVAHS elementary and middle school, we believe that every Bobcat can succeed and to support this we will adhere to the following:

- **Mission:** Inspire curiosity, cultivate growth, and empower every Bobcat to achieve greatness.
- **Vision:** Every Bobcat. Every. Single. Day.
- **Campus Theme:** One Vision. One Mission. One Purpose. One Team.

Overall, we are incredibly excited about all the changes coming our way at the ES/MS campus. We are fully devoted to ensuring an amazing academic journey for the students and families we serve. This year, we will lean into our new mission and vision and unite around our campus theme to ensure every student is supported and on track for academic success.

## High School

As we prepare to launch into a new school year, we're filled with excitement and momentum. Our team is finalizing the August professional development schedule, and we look forward to engaging sessions that will help us start strong.

Before we look ahead, it's important to recognize and celebrate the significant accomplishments we achieved in the 2024–2025 school year. Thanks to the hard work and dedication of our staff and students, we are proud to report:

- **A 21-point increase in College, Career, and Military Readiness (CCMR).**
- **An increase in course passing rates across all high school grade levels.**
- **Improved graduation rates and expanded pathways to graduation through innovative programming and student-centered support.**
- **Our very own student, Isla, became a National Champion by winning the national cookoff!**

These successes are a direct result of our commitment to excellence, equity, and growth for every student. We can't wait to see what we'll accomplish together in the year ahead. Let's make 2025–2026 another outstanding year!

## Instructional Special Programs

As we finalize preparations for VPD, our Special Education team is energized and ready to launch into a strong 2025–2026 school year. We're focused on ensuring every staff member feels supported as we roll out exciting new tools and systems that will enhance our ability to serve all Bobcats.

Key Highlights:

- ✓ VPD Planning: Final sessions are focused on collaboration, support, and readiness for the year ahead.

- 📅 New Program Rollouts: Canvas, PowerSchool, and PowerScheduler are set to streamline communication, scheduling, and instructional delivery.
- 🤝 Team Collaboration: Ongoing planning with all Special Programs teams ensures every learner receives the right level of support.
- 🎯 Goal Setting: Each instructional team member is creating personal goals aligned with TVAH's overall mission and vision.
- 🌟 Looking Ahead: We're excited for another year of growth, innovation, and student success in 2025–2026!

Together, we're building a stronger foundation for every learner to thrive. Let's make it a great year!

## Career and College Prep

### Texas Career and College Prep Update 🌟🌟

#### Planning for an Exciting 2025–2026 School Year!

👋 Welcome to Our New and Returning Staff!

We are thrilled to kick off preparations for the 2025–2026 school year! This month, we're excited to welcome **five new team members** who will officially begin on **July 21st**, followed by our **returning staff** on **July 28th**. We can't wait to see the energy and ideas everyone brings to the table!

🧠 Two Weeks of Virtual Professional Development

Our staff will engage in **two weeks of virtual professional development** designed to equip us with the tools and knowledge to make this year a success. Topics include:

- **Canvas:** Enhancing our digital learning environment
- **PowerSchool:** Streamlining student information and communication
- **AI Integration:** Exploring innovative ways to support teaching and learning
- **Campus Updates:** Staying informed and aligned as a team

🌐 Embracing New Platforms

We're making exciting transitions to **new platforms** that will open up more opportunities for our students. These changes are part of our ongoing commitment to innovation and excellence in education.

💬 Stay Connected

We'll continue to share updates, resources, and celebrations throughout the year. Thank you for being part of the **Texas Career and College Prep** community!

## Counseling

The Counseling Department will be back for Virtual Professional Development on July 24th and 25th. Our days will be filled with team building and updates for the 24/25 school year. The captains are working on evaluating the new alphabet splits based on returning students and new enrollments. We are adding additional counseling positions this year - one in the high school special education pod, three in the high school general education pod, and one in the middle school pod. Our trainers are excited to get them onboarded and ready to join the team!!

This month counselors will be jumping right in with scheduling the new students who are already approved for enrollment and are anxiously awaiting their records to start flowing through TREX. Counselors are already reaching out to get their course selections and excited to welcome our new groups. We are so excited to meet our new Bobcats!

# Title 1

Summer is busy for our Title 1 team! We've reviewed campus needs and focused on campus improvements to impact student learning!

## Curriculum & Instruction

Curriculum Coordinators returned to office on 7/15. They are working on setting up 3-8 core courses and EOC courses for this school year. Our focus is on reviewing courses for any changes that were made in the transition to Canvas, documenting course set up processes to share with teachers, and developing relationships with Department Chairs. As we work closely with campus administrators to finalize grading policies, we will begin working on developing campus assessment teams to develop bi-weekly common assessments in IXL.

## Behavior

The Behavior Campus is enthusiastic about the upcoming school year and the opportunities for continued growth. We look forward to leveraging the support of the Bridge Campus to enhance our progress and strengthen our practices. Together, we are committed to creating a positive and impactful learning environment for our students.

## Parent Engagement

We continue to engage families through activities, scavenger hunts, and bingo challenges! As we gear up for the start of the year, we are excited to welcome our families!

# HISD TVAH Update
