

Minidoka County School District

Attendance Incentive Request Form

Due Date: August 31, 2017

School: Rupert Elementary

Amount Requested: \$500

Please list what the incentive money would be used for (be specific): Outdoor games: Horseshoes, Bocce Ball, Spike Ball, and a kayak. We also would use it for classroom recognition awards, charms for their necklaces, and treats for individual students.

How do you feel this will increase attendance? We feel this would increase attendance by getting the students excited about being here and earning a reward. The outdoor games go along with our theme this year, so it will also get the students in tune with our theme and excited for the whole school year.

How will you measure the impact this has on attendance? We will measure the impact this has had on attendance by measuring student attendance percentage from 1st trimester last year to 1st trimester this year, and 2nd trimester last year to this year's 2nd trimester, and so forth.

Completed by: Angela Davidson
