

To: Hallsville ISD Board of Trustees

From: Eric Hudson  
Director of Dining Services, Child Nutrition  
Hallsville ISD

Date: June 2025

Re: Chartwells

Kirby began replacing & installing the equipment in the kitchens June 10th and all work should be completed by Friday June 13th throughout the district. Reliance will be in Monday June 16th to begin replacing the serving lines at the Junior high and countertops at the High school. All work is scheduled to be done by Friday June 20th.

The Child Nutrition Department is excited to have the upgrades across the board and are looking forward to serving our students the next school year!!

Thank you.

Eric Hudson
