April 2025 Board Report

IAR Testing

Third through fifth grade students and staff have been hard at work on the Illinois Assessment of Readiness. Third and fourth grade students took a total of five assessments. Fifth grade students took a total of eight assessments. We appreciate the dedication from the staff to ensure such a smooth process. We look forward to receiving the data from ISBE this summer.

ELA Committee Update

On April 9, 2025, we had two Amplify representatives visit the elementary buildings to support teachers and provide feedback. We utilized the afternoon to debrief with the reps to discuss specific questions from the teachers. On April 14, 2025, the pilot team had the opportunity to zoom with the Vice President of Professional Development for The Reading League. The Reading League are the leaders in literacy across the country and are program/curriculum neutral.

Preschool for All Monitoring Visit

On April 22, 2025, Mrs. Rieken's morning preschool session was monitored by McCormick Center for Early Childhood as required by ISBE. Mrs. Rieken, Mrs. Allen, and Mrs. Braun worked very hard to prepare for the visit. We are looking forward to our results and making improvements.
