WHAT IS VISITOR AWARE?

Visitor Aware is a visitor management system schools can use to identify potential threats and verify guests before granting them access. With Visitor Aware, your school can take advantage of:

Encrypted facial recognition
for fewer false positives

Pre-registration links
to save time and hassle

No proprietary hardware
to save money by using tools
you already own

QR codes
to help identify and verify visitors
with ease

District-wide communication,
so parents and guardians don't
need to be checked multiple times
on the same day

Digital records
helps keep track of visitors and
volunteers within a building

How Can You Use Visitor Aware?
