Subject

Resolution to Cast District's Votes to Elect Candidates for Parker County Appraisal District Board of Directors

Background Information

The Parker County Appraisal District Board oversees property value appraisals, ensuring fair assessments that serve as the basis for local taxation. Following the passage of S.B. 2, the board consists of nine members—five appointed by taxing entities, three elected, and the county assessor-collector serving as an ex officio member—promoting balanced representation. Board members serve four-year staggered terms beginning in even-numbered years, ensuring that only part of the board is replaced every two years.

All five current board members' terms will expire on December 31, 2024. Newly elected board members will begin their terms on January 1, 2025. To align with S.B. 2's requirement for terms beginning in even-numbered years, board members will draw lots to determine their initial term lengths: either a one-year term ending on December 31, 2025, or a three-year term ending on December 31, 2027. This staggered approach ensures future terms will align with even-numbered years, as outlined in S.B. 2.
