Re: Approve Vision 2030 Resolution

Recommendation:

It is the recommendation of the Superintendent to approve the Vision 2030 resolution from the various state associations as presented.

Background Information:

At the March Board meeting we presented the Vision 2030 information from the Illinois Association of School Boards, Illinois Principals Association, Illinois Association of School Business Officials, Illinois Association of School Administrators and others. The goals of Vision 2030 are to provide mandate relief, cultivate future-focused learning, enhance shared accountability, and secure predictable funding.
