Agenda Item Title: Lone Star Governance Quarterly Self Evaluation

From/Presenters: Ben Mackey, LSG Coach

Description: As part of the Lone Star Governance (LSG) continuous improvement model, the Board of Managers conducts a quarterly self-evaluation to monitor progress toward student outcome goals and to assess the effectiveness of governance practices. This process provides trustees with the opportunity to reflect on current performance, identify areas for growth, and ensure alignment of board actions with the district's vision for improving student achievement. The quarterly evaluation also serves as a checkpoint to track implementation of the LSG framework and maintain accountability for student-focused governance.
