Gen- Tex Day

Gen-Tex Day is a day dedicated to honoring our students across the state for their decision to pursue a post secondary education. It is a day in which schools, faculty and staff are encouraged to promote the pursuit of our students higher education plans, as well as let our students know the path that we took to attain our degree and the school (s) we attended. Friday during morning announcements, we will announce all of our seniors who have currently been accepted to a junior college, college, university or technical school and the program or degree they plan on attaining.

Registration took place this week for our incoming freshman 2015.
