All purchases in excess of \$10,000 need Board of Education approval.

Adoption of the annual budget authorizes the Superintendent or designee to purchase budgeted supplies, equipment, and services. Purchases of items outside budget parameters require prior Board approval, except in an emergency.

All contracts for supplies, materials, or work involving expenditure in excess of \$35,000 shall be made in accordance with the State law bidding procedure, unless specifically exempted. Sealed, competitive bidding, with certain statutory exceptions, is required. The Superintendent or designee shall prepare the necessary legal notices. The contract will be awarded to the lowest responsible bidder, considering conformity with specifications, delivery terms, quality, and serviceability. The Superintendent or designee shall report the results of the bidding to the Board of Education, together with a recommendation and supporting rationale. Contracts will be awarded by the Board of Education at an official meeting. Bid deposits of 10 percent of the bid amount, assuring good faith in bidding, and performance bonds to the extent of 100 percent of the contract amount, may be required.

The Superintendent shall develop procedures which will allow the purchase of good quality products and services at the lowest cost, with consideration for service, quality, and delivery promptness, and in compliance with State law.
