**BOARD OF EDUCATION**  
**Bloomington, Illinois**  
Regular Meeting     June 24, 2024

**FOR DISCUSSION:**

**Subject:     Strategic Plan Initiatives for 2024-2025**

In reflection of the upcoming issues faced by the District, these are the potential priorities for initiatives for consideration in the 2024-2025 school year:

- Review methods and data to attract and retain staff members while also recognizing members of the staff and community;
- Continue to increase student voice within the District;
- Re-examine safety protocols and procedures with the staff and community (where possible);
- Review and plan for the eventual implementation of full day kindergarten;
- Core curriculum work in mathematics;
- Maintain the District Leadership Council's work;
- Continue community outreach efforts;
- Refine practices for consistent, clear, ongoing communications with stakeholders and seek feedback for continued improvement;
- Identify opportunities to strengthen and enhance the District's financial base.

I have also attached a copy of the Strategic Plan for your review. I will be reviewing these priorities and the overall plan with the Administrative team in August. Once reviewed, I will bring an updated list of initiatives to the Board at the August 26 regular meeting.
