

**Recommend Adam S. Czajkowski for 1.0 Replacement Teacher for 8<sup>th</sup> grade Science position**

Adam received his undergraduate degree from the University Wisconsin-Whitewater, attaining a Bachelor's of Science degree with a Biology major and Chemistry minor in Education. He holds the following teaching licenses: 605 Biology/Life Science, 610 Chemistry and Science certifications 601,634,600 and 621.

Since graduating in December of 2008, Adam has gained valuable experience handling long term substitute teaching positions at Arrow Head High School where he taught 10<sup>th</sup> through 12<sup>th</sup> grade Chemistry. Arrow head stated that he came right in and effectively handled the day to day teaching responsibilities. Adam was also able to develop positive relationships with his students, parents and fellow faculty. Administration stated that they wish they had a position for Adam.

After his long term substitute teaching job at Arrowhead High School Adam headed north for a long term substitute job, teaching Biology, at Campbellsport High school. Adam was able to share his strong background in Science with the department and change some of the instruction to better meet the needs of the students. Building Principal Dan Kopp stated that he did an amazing job and that Adam was every bit as good as having the regular teacher.

Port Washington High School has employed Adam to teach at risk students during the present summer term. They stated that his sense of humor and ability to relate to all children pushes students to try hard and earn their summer credit. Like Adam's pervious two district's Port Washington wishes they had a position for him.

**Teaching Assignment in Shorewood**

Adam Czajkowski is being recommended for a 1.0 FTE at BA. Step 1 for the first semester of the 2010-2011 school year.
