Re: Athletic Director Report August, 2021

We are very cautiously optimistic about this upcoming school year.

All of our fall sports have had their parent meetings where information and paperwork were handed out to all the parents or student athletes.

Fall Sports-

All fall sports will have their first practice on Monday, August 9th. I know all the coaches are excited and ready to get going. We had a parent meeting a couple weeks ago for parents to gather all paperwork needed for their student athletes to participate in sports this year. We had a great turnout with almost 60 people in attendance.
