

**GOVERNING BOARD AGENDA ITEM
AMPHITHEATER UNIFIED SCHOOL DISTRICT NO. 10**

DATE OF MEETING: September 11, 2018

TITLE: Recognition of 2018 Air Force Association Arizona STEM Teacher of the Year

BACKGROUND:

The Air Force Association's State STEM Teacher of the Year award honors exemplary K-12 educators who make a profound difference in the lives of their students and in their community, especially in the areas of science, technology, engineering and math education. This year's recipient is Daniel Schneider from Amphitheater High School.

Mr. Schneider teaches computer science and prepares his students to be the next leaders and innovators in STEM fields. His work extends beyond the classroom as he strives to connect students with people in the community who can give them a glimpse into career and education pathways students may not have considered.

He is also the founder and sponsor of the Girl Power STEM club and the Future Business Leaders of America at Amphi High School.

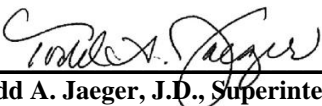

RECOMMENDATION:

This is presented for the Board's information and recognition.
