3/27/2019 9:42:28	Strongly agree	Strongly agree	Strongly agree	They really care	Strongly agree	Yes	Yes	Yes	Introduction to Business Management, Nutrition, Introduction to Accounting, Construction Management		In our child's situation, (being an online student) the thing we like most about CCS is the flexibility he has in time management when completing his school work. We also like that there is a reciprocal trust in the teacher/student relationship.	My child would like to be able to attend and participate in social activities at Pequot Lakes School, such as school dances and prom, without having to be invited by a Pequot Lakes School student.			My child is actively involved and committed to doing his share in helping the environment through recycling and composting. He has helped to educate some friends and family members by sharing his practices, and in turn, they have started to recycle more and compost.
