RE: 2015 Reroofing and Masonry Restoration at Buffalo High School
Inspec Project No.: 213514

Dear Mr. Kawlewski:

On April 22, 2015, bids were received for the above-referenced project. B & B Sheet Metal & Roofing, Inc. submitted the low bid for the amount of \$1,776,766.

We contacted B & B Sheet Metal & Roofing, Inc. regarding their bid. They had an opportunity to review their bid and indicated they would perform the work as specified for the bid amount. We discussed the staffing needs for this project, and they expressed confidence in being able to address those needs by bringing a second roofing crew onto the project, once masonry work is far enough ahead to allow roofing (approximately July).

B & B Sheet Metal & Roofing, Inc. has worked on projects for which we have provided engineering services in the past. The work performed has been satisfactory and their personnel have been cooperative.

Based upon the above information, we recommend acceptance of the bid from B & B Sheet Metal & Roofing, Inc. for the sum of \$1,776,766. If you have any questions regarding the information above, please feel free to contact our office.

Sincerely,

INSPEC

Dale Meierhofer
