SUBJECT: FY2023 Foundation Update – OASIS

Districts submitted FY2023 Fall OASIS data through the State Report Manager (SRM) for counting average daily membership (ADM). On November 14, 2022, each district was emailed regarding the duplicate listings, errors, or conflicts including information on how to correct the student data.

Attached is the reconciled FY2023 OASIS Update Foundation Report and the District Foundation Summary. Please note, this is not the *Closeout* Foundation Report as the impact aid vouchers continue to be applied through the end of February 2023 as well as the intensive student reviews have not yet been finalized by the Special Education (SPED) Division. This information is anticipated to be in the closeout notification of the FY2023 Foundation Entitlement that is sent mid-March 2023, along with an updated foundation payment schedule.

If the district does not agree with the Department of Education & Early Development's reconciled ADM's, a written appeal may be submitted to the department, as outlined in regulation 4 AAC 40. The appeal must provide evidence that demonstrates money to which the district is entitled to has been denied or withheld by the department; and the appeal must be postmarked no later than 30-days from the above date.

If there are any questions regarding the attached information, you may contact me at Mindy.Lobaugh@alaska.gov or at the above phone number.
