Re: Transportation Parameters

I would like the opportunity to discuss information regarding LPS bus transportation eligibility at the next Committee of the Whole meeting on Tuesday, January 22, 2019. I have engaged the District's Transportation Department to research the net effect of changing the student ridership eligibility policy. I would like to discuss the results of this research with you and the Board. Please add this to the agenda of the January 22, 2019 meeting.

Thank you
