

May 6, 2016

Dear Mr. Youngblood and WISD School Board,

This letter is to inform you that I will be resigning from my position as a First Grade Teacher from Waskom Elementary at the completion on the 2015-2016 school year. I will be getting married this summer and am moving away, making it impossible for me to retain this position.

I have thoroughly enjoyed my time here at Waskom Elementary. The small, faith-based community and camaraderie among the staff have made Waskom such a pleasant place to teach. I will miss the families, students and staff I have come to love. Thank you so much for the opportunity to teach here. I hope my circumstances will allow me to return to Waskom ISD in the future.

Sincerely,

A handwritten signature in cursive script that reads "Brittany Slater". The ink is dark and the handwriting is fluid and legible.

Brittany Slater
