	<p>Mr. Kramer and his Biology 10 students were part of a “Trout in the Classroom” project during the 2024-25 school year. Students ran the project from trout eggs to fingerlings up to three inches long. In the spring of the year, the students released into local rivers. I have attached an article from the Root River Current which goes into more detail in regards to this project.</p>
School Culture	<p>We had a group of Middle School Students meet weekly with some elementary students over the second half of the school year and serve as mentors. They did an outstanding job and were great leaders and role models. Below are the students who were mentors:</p> <ul style="list-style-type: none">- Elin Kohnen- Isabella Escobar- Charlee Peterson- Amira Salar- Celeste Bacilio- Colton Diepenbrock- Izabella Westby- Josselyn Tecpile-Lawrence <p>All staff members completed the past school year's Individual Growth and Development plans. One of the requirements was to write a reflection based off the goal. I enjoyed reading the reflections as our staff looked back at the school year and reflected on their goals, what went well, and what they want to work on over the summer and next year to continue improving.</p> <p>Graduation was a huge success! Thank you to Dr. Bernard, Mrs. Ekern, Mr. Mahlke, and Ms. Rypka for helping make the day run smooth and give our seniors a great graduation and send off. Thank you to seniors; Addison Thompson, Delany Vaughn, Kenna Gudmundson, Lindsey Hoiness, and Nevaeh Happel for delivering speeches and videos to help make the day memorable for their peers. Thank you to Board Members Woxland and Schollmeier for helping in handing out the diplomas to our seniors.</p> <p>8th Grade Graduation was held on the last day of school. A big thank you to Mrs. Bergan for organizing and giving our 8th graders a proper send-off to high school.</p> <p>Senior Awards night was a huge success, thank you to Mrs. Ekern and Mrs. Helgemoe for all their hard work. Through the generous support of local businesses and individuals, we were able to give away \$80,900 in scholarships that evening.</p> <p>The recipients of scholarships and all other awards is in your board packet to review.</p>
