Re: Best Buddies Leadership Conference

I am requesting of the Board to approve that staff member Sue Hoyer be allowed to take 2 students (one with, one without disabilities) to the upcoming Best Buddies Leadership conference that will be held in Bloomington, Indiana this summer from July 21st through 23rd, 2017.

The District's Best Buddies Programs are housed at Brooks and Julian Middle Schools. The program has received grant money from the Future Philantropist of Oak Park and River Forest to use toward this opportunity. I will submit the check request pending board approval.
