Subject to the rules and regulations of the insurance carrier, OEBB, and the IRS, active employees who maintain and provide proof of another medical benefit plan may opt-out of District sponsored health insurance coverage. Employees who opt-out of health insurance coverage and who are otherwise eligible for a District contribution towards insurance premiums, may receive 50% (\$659.00) of the employee's maximum District insurance contribution toward a District Sponsored Health Reimbursement Arrangement (HRA) VEBA, as long as such contribution would not create disadvantageous tax consequences for the District of the employee.

For staff members who elect Health Plan H - 100% of the difference between the cost of the insurance for Plan H, dental, vision and the \$1318 cap will be put into a Health Savings Account (HSA).

Eligible employees who do not maintain and provide proof annually of another employer-sponsored group medical plan will not be permitted to opt-out of District sponsored group insurance coverage.

B. Early Retirement Health Insurance Benefit

When an administrator has completed ten (10) years of continuous service with the Morrow County School District immediately preceding his/her retirement under PERS the employee shall be eligible to receive the hospital/medical/dental/vision insurance coverage or a VEBA for 10 years or until age 65, whichever comes first. Specifically, at the time of retirement, the district shall pay the premiums (capped at the amount the district is paying at the time of retirement) for the retired principal and the principal's spouse for coverage under the current administrative plan for medical/dental/vision insurance for 10 years or until the principal reaches sixty-five

(65) years of age, whichever comes first. If the principal's spouse works for an employer other than MCSD, the principal would be eligible for the district payment of medical/dental/vision premiums upon retirement.

Upon verification of coverage, the district shall pay the insurance premium directly to the insurance company each month.

In the event of the principal's death prior to the 10 years of coverage or age sixty-five (65), the district shall pay monthly premiums (capped at the amount the district is paying at the time of retirement) covering the spouse under the district's hospital/medical/dental/vision insurance if the principal qualified for insurance coverage at the time of retirement.
