## MSHSL Foundation Application for Grant for Student Participation

**Mission Statement:** Founded in 2007, the Minnesota State High School League Foundation is a nonprofit association, serving both public and private schools, created to complement the Minnesota State High School League by providing support for Minnesota's high school youth to participate in athletics and fine arts. Minnesota State High School League Foundation's goals are to promote the growth of high school students through participation in valuable extra-curricular activities.

**Awarding of Grants:** The primary goal of the Foundation will be to award grants that assist, recognize, promote, and fund extra-curricular participation by high school students in athletic and fine arts programs. The Minnesota State High School League Foundation Board of Directors has determined that the number of Free and reduced lunch students in grades 9-12 will be used for classification purposes.
