The tentative agreement between the McCall Donnelly Education Association and Board of Directors of McCall Donnelly School District No. 421 adds Master Agreement language to define the contracted days for professional employees that states: "170 student contact days, 6 teacher workdays, 6 teacher training days, and 16 hours of after school activity hours (as defined in the parent conference language) totaling 182 plus 16 hours. The daily rate of pay is calculated at 184 days." The language addition requires amending the 2025.2026 calendar which contains 8 teacher training days.

Administration recommends amending the 2025.2026 calendar that was adopted at the January 13, 2025, board meeting to remove two teacher training days. Administration is recommending removing the February 13, 2026, and May 22, 2026, days.
