

Hello everyone! The first semester has just ended, and we are now entering the second half of the school year. There are a few notables that have happened in January and many events happening in these upcoming months. Mock Trial has participated in two rounds of competition and has had great success. Across the four teams, there have been eight Nova students who won Outstanding Witnesses and seven Nova students who won Outstanding Attorneys. Eleven Nova representatives participated in the Youth in Government conference on January tenth. This was an excellent opportunity for them to gain experience in the roles that are performed in our government. Right before Christmas break, there was also the School of Rhetoric talent show where many fine skills were on display. Continuing the winter and snow theme, the SoR senate has finalized the dates for Snow Daze week which ends in the Snow Daze Dance on February 21st. Furthermore, multiple NHS committees are now in full preparation mode for many events including Multicultural Night, the Career Fair, and ACT tutoring, to name a few. The end is now in sight but there are still many destinations along the route to May!
